Way way to long... 3 yrs this Friday. And the problem stems much further than before below newscast. All I've seen are more raw sewage spills and higher bills.

Honestly, not only should the problem have been fixed long ago but the consumers should get a rebate.

Insane.

Respectfully

Jim

Looks like I have been at it for a long time!!!!

Linda

Our website - <http://www.norateincrease.com/default.html>

Tega Cay Water Citizen Advisory Council: As Tega Cay residents, we come together for a more powerful voice to demand efficient, higher-quality wastewater and water service under TCWS with less offensive aesthetics, odors and environmental impact. In doing so, we benefit all of Tega Cay's health and safety, quality of life and property values.
